RE: *U.S. Patent Application No. 10/529,197 entitled "METHOD FOR SCREENING MOLECULAR INTERACTIONS" – Rick HASELTON and Mark McQuain*  
*Confirmation No.: 2125*  
*Our reference: VBLT:017US*

Dear Examiner Lam:

After reviewing each of the Office Actions and the Notice of Allowability, it has come to our attention that the Information Disclosure Statement, Form PTO-1449 and nine references submitted on April 6, 2006, were apparently never signed off by an Examiner.

For your convenience we have enclosed a copy of the Information Disclosure Statement and Form PTO-1449 that were filed with the Patent and Trademark Office (PTO) on April 6, 2006. Also enclosed is a copy of PTO stamped postcard indicating the documents submitted. The copies of the references previously submitted have not been enclosed. Please let us know if you would like us to resubmit those as well.

Please review and approve this Information Disclosure Statement. If you need additional information, please let us know.

Thank you for your assistance in this matter.

Very truly yours,

Steven L. Highlander
